SUMMARY:

I'm a Partner and Senior Architectural Engineer for SKANSKA Northern Europe.

SPECIALITY:

A creative professional with a record of increased responsibility. Proficient in prioritizing and completing tasks in a timely manner, yet flexible to multitask when necessary. Project focused with diverse industry experience including site selection, design and project planning. I enjoy learning new project administration programs and processes. A strong team player who is attentive to detail and able to work in a fast paced environment. Excellent oral and written communication skills.

SKILLS:

Vectorworks

AutoCAD

3D StudioMax

Microstation
